# Caring with CarePacks

## Participate in a General CarePack Assembly Day

Sign up with your family and friends to participate in one or more of Hope Mill's general CarePack Assembly days. Here you will work with other volunteer members of the community making up food, hygiene and clothing kits and packing them in sturdy backpacks for distribution to city, county and state agencies that have an outreach to the homeless, as well as to other organizations such as food pantries, shelters, synagogues, churches with a homeless outreach. Distributions are also made by Hope Mill directly to homeless individuals on the streets and through Homeless Connect events.

Activities are done in an assembly line fashion. Jobs include preparing and tagging the backpacks for assembly, assembly of all the backpack components and packing the multiple components into the backpacks.

Volunteers might also be asked to work on the assembly of our CourtesyPaks, re-bottle shampoo or liquid soap from larger bottles, fold our informational "Street Sheets," along with a variety of other needed projects.

We have jobs suitable for all ages, including those who need to sit and those who can stand. The majority of the work is done outside under canopies but there are some inside activities.

General CarePack Assemblies are done one Sunday a month from Noon to 3. Preregistration is required. Space is limited.

Participants are encouraged to bring items from our wish list for donation. Snacks and drinks are provided. Community Service forms are happily signed.
